### PRODUCT IMAGES

## HEBEFIX

The above floor sump Hebefix is a drainage pump station in mini size. It consists of a mountable or suspendable plastic tank (approx. 25 L) with an additional sleeve for 40 mm PVC/HT pipes at the top and three additional inlets on the sides. Perfect when installing plumbed items (new bathroom) where drainage is required but no drain pipe is available.

### Applications

Drainage, effluent, dewatering and wastewater.

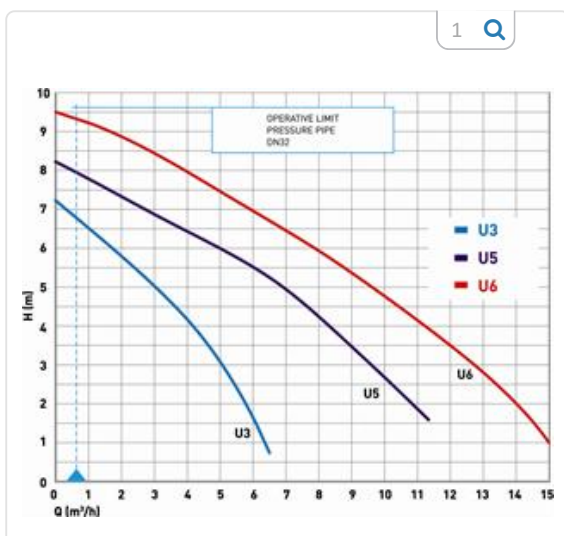

### Key Features

- Overflow protection
- Wall-hung installation
- Alarm system possible
- Lid with snap-on cap
- Direction of pressure drain, variable
- Swing-type check valve
- Activated carbon filter
- Disposal of condensate from condensation boilers (only with U3KS special)

### Warranty

2 year warranty
